WESTBOROUGH — In Your Shoes, a non-profit organization in Westborough, is offering a \$500 scholarship to an eligible high school senior looking to continue their education in college, business or trade school.

This student must demonstrate a dedication to improve the community of Westborough through an application and essay.

Students interested in the scholarship can pick up an application at the WHS guidance department, the public library or Town Hall. The deadline to submit a completed application is May 16.
