Treasurers Report: Review of the Income and Expense Reports
Question, CD asset amount different from CD amount at bottom of page.

Clothing Drive: Clothes 4 Kids, September 2015. Event was at St. Lukes parish center. Wonderful response from the community. Would we repeat this event? It was a huge responsibility and amount of work. A location to store clothing and sort would be needed. The Senior Center was suggested as a possible location if we decide to repeat.

Scholarship Idea: Karen Ross suggested a scholarship/fundraiser for a single Westboro parent going back to school. Requirements were discussed: single parent, need basis, with children under 18, education related to job/financial support. We would be looking for one or more individuals that we could make a substantial contribution to their education cost. We will talk more about this at the next meeting.

2016 Fundraiser: Ideas were tossed around; Sharon suggested wine tasting with chocolates to match with wines, repeat Casino Night, Glo in the Dark Mini Golf. Those present liked the idea of the Mini Golf. It was affordable, location at Bay State Commons, plenty parking, Tickets sales could produce \$3000 (125 tickets sold for \$25). We could sell tickets for future use (as gifts, etc.). Weather wouldn't be a problem, we could reschedule or use the tickets any time. Teams, sell shirts? Glo in the Dark, Sponsor holes, refreshments. Sherry check on Alcohol, dates available in March, capacity, hours, family night? Ladies night? Kids? Prizes, raffles.
